

IMMEDIATE RELEASE

New York, September 17, 2008 - Participants in both The Reserve Insured DepositsSM Program and The Reserve Cash Sweep® On-Balance Sheet product (the "Programs") have not been affected as a result of the unprecedented events stemming from the announcement that Lehman Brothers Holdings, Inc. has filed for bankruptcy.

The funds within the Programs are held in bank accounts. There has been no impact on these deposit accounts as a result of the recent news on The Reserve Primary Fund and they continue to operate normally.
